Office use: upfront payment received (\$20 per couple | \$20 per individual)

*We're really excited to bring this workshop to Portland for the second time this year! Places are limited, so please **BOOK EARLY** to avoid disappointment!*

A note about the FREE child supervision offered during the workshop:

^ Please make sure any children who come along will be comfortable to remain in the play space while you attend each workshop session (approx. 2 hours). FUNKY Hearts volunteers will have activities & games planned for your kids enjoyment, but as per normal centre entry, the responsibility for your child/ren while at the session/centre is entirely yours.
